

Meeting community needs in Florida. More than **72,000** people of all ages and backgrounds are helping to solve problems and strengthen communities through **169** national service projects across Florida. Serving with national and community nonprofit organizations, faith-based groups, schools, and local agencies, these citizens tutor and mentor children, coordinate after-school programs, build homes, conduct neighborhood patrols, organize local homeland security efforts, respond to disasters, and recruit and manage volunteers. This year, the Corporation for National and Community Service will provide more than **\$25,400,000** to support Florida communities through three major programs:

Senior Corps: More than **34,000** seniors in Florida contribute their time and talents in one of three programs: **Foster Grandparents**, who serve one-on-one with more than **17,000** young people who have special needs; **Senior Companions**, who help more than **2,900** other seniors live independently in their homes; and **RSVP** volunteers, who work with more than **3,300** local groups to meet a wide range of community needs.

AmeriCorps: This year, more than **900 individuals** are serving in Florida communities as AmeriCorps members. In return, the members receive an education award of up to \$4,725 to help pay for college or pay back student loans. To date, more than **5,100** Florida residents have qualified for education awards totaling more than **\$23,000,000**. Two-thirds of AmeriCorps grants are made by Volunteer Florida, a governor-appointed commission. National nonprofits, such as the American Red Cross and Habitat for Humanity, make other assignments. Other members serve in AmeriCorps*VISTA, and AmeriCorps*NCCC (National Civilian Community Corps).

Learn and Serve America: Learn and Serve America provides schools, colleges, and community organizations with grants for service-learning that help make it possible for more than **38,000** Florida students from kindergarten through college to meet community needs while improving their civic and academic skills and learning the habits of good citizenship.

"Florida has a long and proud history of community service. Thousands of young lives are turned around each year by mentors and tutors. Volunteers care for our elderly, keep our environment clean and protect the frailest and weakest among us. This report shows the Florida Commission on Community Service is working to strengthen our communities through volunteerism and community service. Now is the time for Floridians of all ages to become actively involved in service to their community."
